

## **FRANCHISEE**

### **Top Choice Pizza, the best franchise choice!**

Clearly the market for pizza & pasta is still growing at an astonishing rate, so is the opportunity for great take-out meals!

We are currently looking for potential franchisees who can clearly demonstrate that they want to achieve at an outstanding rate of success. Restaurant experience is not necessary, but is a definite asset. A love of the food industry ensures quality & customer service which are very important elements. Our training program will provide you with the knowledge you need to become a highly successful restaurant owner. We are not looking for people who merely wish to make a good investment, but people who are going to put their heart & soul into their restaurant. These people will measure their returns as well as independence, happiness, pride, accomplishment, security & freedom.

Recipes for great pizza are just the beginning. Top Choice Pizza's proven recipe for success will enable you to achieve benefits from your franchise. Going into business for yourself is a major decision. Acquiring a franchise from a successful, well established organization can help make your decision a lot easier.

Are you ready to get started? Contact us today with your questions or to get your copy of the Franchisee Application.
